Boundaries
What are my rules of each?
What are expectations?
What are values in each?

INTIMATE
Lots of shared values
dependable
predictable
contextual
may see the most
Tests circle to weed out
they have done lots of work to prove trust
biggest circle
takes time to get through
don't know
Can't expect values here

CLOSE
trust
comfortable
Emotions shared is ok
Go slower
Test circle to weed out
No info
sharing is risky
takes time to get through
don't know
Can't expect values here

AQUAINTENCES
limited sharing
shared values
mutual
here by choice
forced to be here
don't share
Stranger danger

STRANGER
No emotions
