A paid, 10-week summer internship in Colorado Springs.
El Pomar’s Internship provides a paid professional summer opportunity for undergraduate students with a Colorado connection through an introduction to the philanthropic sector, program administration experience and leadership development opportunities. El Pomar is a private foundation established in 1937 to enhance, encourage and promote the current and future well-being of the people of Colorado. The Trustees invest more than $25 million annually in grants and programs throughout the state.
